</table>
Balcon Round is brother of Balcon and it is designed with tight condensed forms, specific geometric look with optimized terminals and enhanced legibility – step by step professionally tuned up and totally focused for onscreen use.

Though authors declare it is dedicated webfont family we see a lot of potential in its use in editorial design, posters design, branding, etc. mostly because of its original interpretation of classic geometrical fonts of typical condensed Sans.

Very attractive, strong and maybe a bit more serious than necessary, Balcon Round font family is your best friend from everything starting from web site and mobile apps to book cover, annual report or even business card.

Balcon Round Black, 90pt
After a while, when he had become a little adjusted to the queerness of the whole scene, he began to notice furtive movements in the shrubs and trees they passed. Things flickered too swiftly for him to catch their outlines, but from the tail of his eye he was aware of motion, and somehow of eyes that watched. That sensation was a familiar one to him, and he kept an uneasy gaze on those shiftings in the shrubbery as they went on. Presently he caught a watcher in full view between bush and tree, and saw that it was a man, a little, furtive, dark-skinned man who dodged hastily back into cover again before Smith’s eyes could do more than take in the fact of his existence. After that he knew what to expect and could make them out more easily: little, darting people with big eyes that shone with
After a while, when he had become a little adjusted to the queerness of the whole scene, he began to notice furtive movements in the shrubs and trees they passed. Things flickered too swiftly for him to catch their outlines, but from the tail of his eye he was aware of motion, and somehow of eyes that watched. That sensation was a familiar one to him, and he kept an uneasy gaze on those shiftings in the shrubbery as they went on. Presently he caught a watcher in full view between bush and tree, and saw that it was a man, a little, furtive, dark-skinned man who dodged hastily back into cover again before Smith's eyes could do more than take in the fact of his existence. After that he knew what to expect and could make them out more easily: little, darting people with big eyes that shone with a queer, sorrowful darkness from their small, frightened faces as they scuttled through the bushes, dodging always just out of plain sight among the leaves. He could hear the soft rustle of their passage, and once or twice when they passed near a clump of shrubbery he thought he caught the echo of little whispering calls, gentle as the rustle of leaves and somehow full of a strange warning note so clear that he caught it even amid the murmur of their speech. Warning calls, and little furtive hidings in the leaves, and a landscape of tapestried blurring carpeted with Botticelli flower-strewn sward. It was all a dream. He felt quite sure of that. She turned her eyes away as she spoke, snapping the mental bond that had flowed between them with a suddenness that left Smith dizzy. He went on at her side more slowly, pulling back a little on the tug of her fingers. By degrees the sense of dreaminess was fading, and alarm...
AFTER A WHILE, WHEN HE HAD BECOME A LITTLE ADJUSTED TO THE QUEERNESS OF THE WHOLE SCENE, HE BEGAN TO NOTICE FURTIVE MOVEMENTS IN THE SHRUBS AND TREES THEY PASSED. THINGS FlickERED TOO SWIFTLY FOR HIM TO CATCH THEIR OUTLINES, BUT FROM THE TAIL OF HIS EYE HE WAS AWARE OF MOTION, AND SOMEHOW OF EYES THAT WATCHED. THAT SENSATION WAS A FAMILIAR ONE TO HIM, AND HE KEPT ANUNEASY GAZE ON THOSE SHIFTINGS IN THE SHRUBBERY AS THEY WENT ON. PRESENTLY HE CAUGHT A WATCHER IN FULL VIEW BETWEEN BUSH AND TREE, AND SAW THAT IT WAS A MAN, A LITTLE, FURTIVE, DARK-SKINNED MAN WHO DODGED HASTILY BACK INTO COVER AGAIN BEFORE SMITH’S EYES COULD DO MORE THAN TAKE IN THE FACT OF HIS EXISTENCE AFTER
